MISSION STATEMENT
We are one in our Church’s teachings and in the variety of gifts, services and ministries that we employ to help build up the Kingdom of God. Therefore, we commit ourselves to:

† Support all that makes our worship more life-giving, joyful and participatory; and become more actively involved in the sacraments of the church.

† Teach the saving message of Christ in our homes, our schools, and in our community so that all may come to a deeper understanding, conversion, and personal witness to Christ.

† Be a community of Christians called together to love one another, share with one another, and pray with one another in the spirit of the Lord.

† Help one another and minister willingly, compassionately, and generously to the poor and needy.

† Proclaim the good news of Christ in word and deed by living and sharing our faith in the parish.

The Third Sunday in Ordinary Time

Catholic Schools Week!!

Please join us for Saints Simon and Jude School Open House!! From 10:00 am to 1:00 pm

We are a Blue Ribbon School.

The Body is One and Has Many Members

“The world”, absent of God, thrives on competition. So much so, that we may well refer to some competition as DOMINANCE. One person is truly better and has achieved this status through stepping on the toes of others.

In sharp contrast, Saint Paul today reminds us that ‘in Christ’ we are all brothers and sisters. That ‘in Christ’ there is no partiality. Rather, the person of any nation (religion, creed, color, education or status) who acts uprightly is acceptable to Him. St. Paul also reminds us that we are called to ‘anticipate one another in showing respect/honor’. How does this come about?

The hinge is our surrender to God the Father’s plan ‘in Christ’. To be ‘in Christ’ is to become a new creation, a daughter or son of God. Here is the path: do everything for the glory of God, repent of sin, pray every day, attend Church on Sunday, take care of the poor and then we will have treasure in heaven and then our daily routine will be filled with light and every fruit of the Holy Spirit.

God bless you,

Fr. Mike Gerlach

Feast of St. Blaise — February 3

St. Blaise, pray for us that we may not suffer from illnesses of the throat and pray that all who are suffering, be healed by God’s love. AMEN. Blessing of the throats will be Sunday February 3 at Mass.

What Is the Rite of Christian Initiation of Adults (RCIA), part 2: Rite of Welcoming

Last week you read a summary of the period of Inquiry related to the RCIA process. That was – and is a time of exploring or getting to know the church community. There is no commitment. When the Inquirer decides that he/she would really like to become a member of the Church and the Church members agree, then the person is officially welcomed at the Church door and invited to begin of time of formation as a Catholic. Part of this Rite is the signing of the cross because all that we are and do is defined by Christ’s saving action on the cross.

Our next Inquiry Session at SSJ will be on Wednesday evening, February 13th, 7 pm, in the Welcome Center, just inside the front doors of the Church. If you are interested, please join us.

Divorce Support: Being divorced is traumatic at best and a person does not need to feel alienated from the Church but accepted and supported. That includes spiritual and social. We are happy to welcome anyone who is dealing with divorce: Wednesday, February 6th, 7 pm, in the Meehan Center. Our topic will be dealing with the depression that comes as an after-effect of the divorce.

What the Church Teaches and Why

Many couples want to have children but have real difficulties in making this happen. Join us on Monday evening, 2/11, at 7 pm, in the Meehan Center for a presentation on What the Church Teaches about Reproductive Issues and Why. Dr. Joe Zalot, parishioner and staff member of the National Catholic Bioethics Center will be the presenter.

Saint of the Week: St. Thomas Aquinas

Thomas was born in the year 1225 to an Italian family. At age 5 his parents sent him to a Benedictine Monastery to begin his education. He completed his studies with the Dominican fathers of which he became a member. Thomas Aquinas was and is one of the pre-eminent scholars in the Church. He is known for his ability to build faith on reason; one did not have to be mutually exclusive of the other. He has been declared a Doctor of the Church. He is the patron saint of students and educators and also probably for people who are bullied. He used to be teased because of his rotundness. In fact, the monastery had to cut a half circle in the table at his seat in the dining room because of his great girth.

Volunteer in Appalachia:
Please come to an introductory meeting about Appalachia Service Project.

Sunday, January 27, at 1:30 pm in the Welcome Center in church. Our trip is July 13-20 with preparation meetings prior to the trip.

Help us to help others in making their homes warm, safe and dry. High school students should be in 9th grade now or older. Adults must be 25 or older, be able to drive a van, and supervise youth. Contact Annette Glaudel at 610-431-9566 and alglaudel@aol.com

SSJ students love our before and after school CARES. The program is very affordable and is staffed by caring, qualified staff.
SSJ School News

This week we welcomed parents and students for a Middle School Open House. SSJ’s offers a unique middle school experience for students in grades 6, 7, and 8 when compared to a traditional middle school. These adolescents are with younger children in preschool through grades 5, so they are given the opportunity to be leaders and mentors in a nurturing Catholic community. In a 2016 New York Magazine article titled “An Idea: Let’s Get Rid of Middle School,” senior editor Melissa Dahl states “A big new study published this month, spotted earlier this week by NPR education reporter Anya Kamnetz, finds that school is a happier, safer place for sixth-, seventh-, and eighth-graders when they attend K–8 schools as compared to a traditional sixth-through-eighth-grade middle school (or a less-traditional sixth-through-twelfth-grade school). Being the oldest, coolest kids in school has its perks.” The article also states that “their grades and test scores were better, too.”

Whether you have a student for our middle school or elementary school, or no student at all, we invite you to our Catholic Schools Week Open House today, January 27 from 10 am until 1 pm! All parishioners are welcome to ‘come and see’ our 2017 National Blue Ribbon School of Excellence and talk with our outstanding faculty and staff. There will be refreshments and the opportunity to walk through or take a formal tour with an 8th grade ambassador. I hope to see you there!

Blessings,
Sister Regina Elinich, IHM
