SPECIAL NEEDS MASS & SOCIAL EVENT 2017 – 2018

We are beginning our 10th year for Special Needs Ministry! Come join us as we celebrate each month with friends, family and community.

Our celebration begins Sunday at 3:00 PM with Mass and is immediately followed by activities developed for children and young adults with special needs, including:

- Crafts activities
- Gym activities including gross motor skills
- Sing along and dancing
- Refreshments & snacks
- For Caregivers we offer a Caregiver Discussion Group simultaneously during the activity session.

The Special Needs Ministry reaches out to all people with special needs and their families regardless of religious affiliation.

For those who are interested, we offer **sacramental preparation** and are working toward full integration in the St. Luke community through participation in other ministries. We encourage our participants to let us know if they would like to be a **lector** or **altar server**. We'll gladly provide training so you can.
