Introduction to the Liturgy of the Day

On this Respect Life Sunday, what better words could we hear than Saint Paul's in today's second reading? "Humbly regard others as more important than yourselves, each looking out not for his or her own interests, but also for those of others." As we gather here today, let us pray to our loving God for the wisdom to make these words the hallmark of our lives, respecting all other lives by putting their interests first.
