April 17 th	Group II run through and Group II Chorus	Gym 2:10-4:30pm

We have our costume fitting set for Sat. April 6th between 9 and 12. This is not a rehearsal. You come in get fitted and then leave. The fitting will take place in the Gym. Please make every effort to be there.

By now everyone should be off book, but unfortunately many still do not know their lines. You need to do your job, study your lines and the songs. We are too far behind to keep fixing the same mistakes on stage. We really need to move forward. You should be doing homework and when done **FOLLOWING WHAT'S HAPPENING ON THE STAGE**. This is also a perfect opportunity for you to rehearse your lines and stop talking during rehearsals.

Again...If you can't make a rehearsal, check with the person who is doing the other show and see if they can fill in for you. There are too many still missing rehearsals and not doing this. It is in your best interest to make all of your scheduled rehearsals if possible.

Also...please remember that if you cannot be picked up by the time rehearsals are over you will be sent to the aftercare program in the All-Purpose room at the school.

Before our Spring break you will all receive the final schedule for April and May. We have a really good show in progress. Keep up the good work!! **STUDY YOUR LINES...**

Any questions or concerns please call or text Ms. Fitzgerald at 973-756-5256.
