FIFTH SUNDAY IN ORDINARY TIME

*Let them thank the Lord for his mercy,
 his wonders for the children of men,
 for he satisfies the thirsty soul,
 and the hungry he fills with good things.*

Following upon the teaching of the Beatitudes, Jesus uses the now familiar metaphors of salt and light to describe the life of discipleship. We take salt and light for granted in our society, but these commodities were more precious in ancient cultures. Just as now, salt was used in Jesus' time for flavoring, as a preservative, and as a healing agent. Similarly, the widespread use of electricity in the modern world makes us less aware of the value and importance of light in our lives. Still, our familiarity with this passage from Matthew's Gospel speaks well to the abiding power of the imagery that Jesus presented. Jesus' call to be salt for the earth and light for the world powerfully states our mission as Church and as Christians. Our commitment to social justice flows from the exhortation that Jesus gives us in today's Gospel. Some of the activities that this commitment leads us to are given more concrete expression as the Corporal and Spiritual Works of Mercy. When we feed the hungry, clothe the naked, console those who mourn, and so on, we show ourselves to be the salt of the earth and the light of the world. When we do these things with the community of faith, the Church, we are indeed acting as "a city set on a mountain" that cannot be hidden!

Faith; it does not make things easy, it makes them possible. -Luke 1:37
