

HANDICAPPED ENTRANCE

The HANDICAPPED ENTRANCE to the Cathedral of SS. Peter & Paul,
is on the east side of the church.

Follow the directions as above BUT,
instead of turning onto Fenner Street, proceed to the other side of the Cathedral
by turning at the second left which is Jackson Walkway {a narrow, cobble-stoned roadway}.

Proceed on Jackson Walkway approximately 150 feet to the handicapped entrance.

Please note that parking at that entrance is minimal.

Please arrange for your driver to drop you off at that entrance, as they proceed to parking.
