

# FORMING DISCIPLES IN MISSION CONDENSED WORKSHOP

Saturday, March 16, 2019, Bryant University, Smithfield, RI

FORMING DISCIPLES IN MISSION is a one-day workshop created by the Archdiocese of Boston to help disciples develop a common language and skill-set for work in the New Evangelization. Four workshops, adapted from FORMING DISCIPLES IN MISSION, are being offered as part of the Diocese of Providence Faith Formation Convocation:

## **TEACHING THE ART OF LIVING**

Evangelization? New Evangelization? What's the difference? What is "new" about "evangelization"? Come, hear, and discuss the Church's vision for mission during this session.

## **YOU CAN'T GIVE WHAT YOU DON'T HAVE**

The goal of life, as a Baptized Christian, is holiness. The goal of evangelization is helping others, through God's grace, to be holy. Let's talk about this great adventure called discipleship!

## **WALKING WITH OTHERS ON THE PATH TOWARDS HAPPINESS**

People are not born disciples. All of us are on a journey—whether we are aware of it or not—towards happiness, towards God. This session will focus on what that journey can look like and how disciples can accompany others on that path.

## **PARISH ACTIVITIES THROUGH THE LENS OF THE NEW EVANGELIZATION**

Fewer and fewer Catholics are coming to Mass! Parents just drop their kids off to religious education and leave! Our parish website hasn't been updated in 5 years! And more! There are lots of complaints about parish life these days. Let's talk about how our parishes can be transformed into centers of the New Evangelization.

PRESENTERS: Michael Lavigne, Asst. Cabinet Secretary for Evangelization & Discipleship;  
Chris Donoghue, Evangelization Consultant, Archdiocese of Boston
