School Report:

- **School Handbook Review** - Each year at this time, I ask that the entire membership of the School Board review the St. Clement School Handbook for errors, omissions, and relevancy. I am going to request this again, but would like to add format to your list of items for review. I have reformatted and reordered the Handbook to try to make it more user-friendly. The only content I have updated was the after school access to the building language that we all approved earlier this school year. If you could all review and provide feedback to Sue by June 15th, it would be greatly appreciated. Yesterday, I provided a hard copy to all of you in your mailboxes or personally.
- **School Board Evaluations** - You also received a form for Self Evaluation Check List for Boards of Education. Please use this as an opportunity to provide feedback on School Board operations. Please return this to Sue by June 15th as well.
- **Marketing Report** - 4th grade shadow day was held on 04/23/2018. A few people stated their 4th grader enjoyed the day. One person suggested a new format for next school year. I will visit with the 4th grade students and teachers to gather additional information and ideas for going forward.

- On Earth Day, Tribes potted plants that will be used in different areas on the parish grounds.
- We had/will have three May Crownings this month: May 4 for grades 1-8, May 11 for JK, and May 18 for the Kindergarten class.
- Grades 4-8 will participate in the Children's ACA Drive.
- The Children's Choir will receive certificates after mass on May 10, with a donut social to follow.
- 8th grade Farewell Mass is May 17 and 8th grade Graduation is May 21.
- Kindergarten Farewell is also on May 21.
- Confirmation has just been set for May 8, 2019! Bishop Rivituso will be the celebrant.
- We are reviewing a new First Penance and First Communion series for use in the day school and PSR. We are looking for ways to involve parents in their child's preparation for the sacraments. This series has resources that will more actively engage the parents and provide them with more information for themselves, as well as their children.

Home & School Report:

The new Home & School representatives for the 2018/19 school year are Natalie Mayers and Kate Sanders.

Next School Board Meeting is scheduled for Tuesday, August 14th at 7:00PM in the library.

Respectfully Submitted,
