Abortion bill in Nevada Legislature
 The Nevada State Assembly is now hearing SB 179, a bill that revises current statute regulating abortion. It expands this threat to the sanctity of human life in a number of ways. It takes away a physician's obligation to obtain the age of the person undergoing an abortion, circumventing the obligation as a mandatory reporter of sexual assault or abuse of a minor. It decriminalizes unqualified persons who perform or assist with abortions and thus removes important protections making it easy to prey on economically challenged immigrant populations and victims of human trafficking. It neglects to address parental notification of underage minors seeking an abortion.

Please express your opposition to SB 179. Go to the legislative website to register your opposition: <https://leg.state.nv.us/App/Opinions/80th2019/>. Enter SB179 in the box and click on against. Legislator # is 775-684-1400.

June 1st @ 9am Pray for an end to abortion @ the Reno abortion clinic
