May 12, 2019 - Mother's Day

Happy Mother's Day

I said a Mother's Day prayer for you
to thank the Lord above
for blessing me with a lifetime
of your tenderhearted love.

I thanked God for the caring
you've shown me through the years,
for the closeness we've enjoyed
in time of laughter and of tears.
And so, I thank you from the heart
for all you've done for me
and I bless the Lord for giving me
the best mother there could be!

“Shall we make a new rule of life from tonight: always to try to be a little kinder than is necessary?”

James M. Barrie author of Peter Pan

Happy Mother’s Day!!

With summer almost upon us we are drawn into a time of increased activity in sporting events, family gatherings, travel and vacation and that is in addition to our regular schedules of work and other responsibilities. Sometimes we need a vacation after our vacation. Two thoughts I’d like to share; one is in relation to the quote above. In the midst of all our activity it would be a great time to practice the art of being kind. The simplest thoughtful word or gesture can lighten someone’s day. All of us are faced with moments of stress as we get caught up in the moments of life and all of us can benefit from someone’s kind words or deeds. If you are fortunate enough to experience a kindness remember to pay it forward; someone will be very grateful. My second thought is a little different than the first though not unrelated.

Please remember to keep God in your life, your heart this summer. Take the time to pause and go to Mass, remember to pray and thank God for all the blessings you receive. Kindness flows from a heart that knows God’s love and goodness. God is good all the time. All the time God is good!

Peace! Sister Mary Kay

DRAWN TO THE ROAD OF FIRE TEILHARD AND STRUGGLE

Presenter: Sister Kathleen Duffy, SSJ: May 19 – 24 7:00 PM Sunday to 10:00 AM Friday

While on retreat in 1919, Teilhard experienced a transfiguration-like experience that he shares with us in his essay, "The Spiritual Power of Matter." During this transformative event, Teilhard is moved to commit himself to a life of struggle in every aspect of his life without yet knowing what these struggles might be. In this retreat, we will consider the many ways Teilhard is confronted with struggle—as a scientist, believer, lover, Jesuit, mystic, and as a faithful member of the Church. Together we will explore some of the more significant examples, notice Teilhard's responses, and share our experiences so that we can learn better ways of dealing with the struggles that we face in our lives and in our world today. Donation: \$500/\$60 non-refundable deposit with registration.

To register, call 609-877-0509. Please check www.FHOP.org for directions and for our other offerings!

Sunday, May 12th is World Day of Prayer for Vocations

Prayer for Vocations From the United States Catholic Conference of Bishops

O Father, you desire all of us to be happy. Stir up the grace of a religious vocation in the hearts of many men and women. Grant to them the willingness and generosity to give of themselves, their lives, their time and their talents to the service of Jesus Christ, Your Son, Our Lord and Savior, and to His Holy Church.

May more men and women go forth as priests, deacons, brothers and sisters to bring the truths of our Catholic faith to all others so that soon they, too, may know You better and love You more... and serving You, be truly happy. Amen.

If you are interested in religious vocations, please visit the Diocese of Trenton's website for more information: www.dioceseoftrenton.org/ministry-of-vocations

Community Outreach Survey Update

Thank you to all who responded to our survey in March. Your feedback was thoughtful and meaningful. The primary purpose of this survey was to determine if there are gaps in our ministries. Is there a new need in our community, whether our parish or our town, where we could be providing help? An example could be a response to the growing and disturbing trends of prescription drug addiction. In analyzing the survey responses, there doesn't seem to be a serious gap in how we are serving the needs of our local communities. Should you feel differently, you still may provide suggestions in this area. You may send an email to Stella.denn@verizon.net with any feedback or suggestions.

RESPECT LIFE NEWS - BURLINGTON COUNTY DIOCESAN RESPECT LIFE COMMITTEE

After a 7 year fight in the NJ Legislature, Governor Murphy has made assisted suicide the law in NJ by approval of S1072/A1504 on April 12. In spite of this heartbreaking result, our parishioners fought a tough fight that apparently made this a close vote. We are now the 8th State to have made doctor assisted suicide legal. Bishop O'Connell has made many public statements on the issue of assisted suicide which clearly show the Church cannot compromise the sanctity of life. He said that God is the only Creator and source of all human life and that, therefore, God alone has the right to determine its natural end.

The Committee would like to thank everyone who contacted their elected officials to encourage them to vote no on this bill. In the future, many state and federal issues will arise that we will again need to address. Our diocesan respect life committee will continue to alert the parishioners of Burlington County pointing out the issues where they can voice their opinion and hopefully swing the legislation in a direction that promotes Catholic moral policy. Thank you for all your past and future support in respecting life.
