

# Stewardship Reflection Sheet

Name: \_\_\_\_\_

Circle one: Service to church/parish community or Service to the wider community

*Did family members help with this service?* (circle one) Y or N

*Brief description and date(s) of service:*

God is the source of all we have and all we are. *What particular gifts of time, talent or treasure have you been given that were used in this activity?*

As disciples of Jesus, our challenge as Christian servants is to become more aware of the needs of those around us, especially the people we encounter in everyday life. *What need did this service fulfill?*

When we serve, we love; and we become less self-absorbed, less focused on our own wants. The more we serve, the more we love, and eventually both become a way of life. People who serve are joy-filled, peace-filled people, who in their service, come to see the face of God. *How did you "see" God within this activity?*

*Has participating in this service "changed" you? If so, in what way? If not, why?*
