WELCOME BACK!!!

Classes begin week of September 2

We wanted to take this opportunity to thank you for choosing Expressions. Below are some helpful hints that we hope help your first few weeks back to dance go a little smoother. We want to make sure everyone has a great experience

TIPS TO HELP YOUR FIRST FEW WEEKS GO SMOOTHLY:

- **Arrive a few minutes early.** The parking lot can get VERY hectic, give yourself extra time to find a spot to park, and get into the studio since arrival/departure times get congested. Parking the first few weeks will be crazy but it does get better. Depending on the day and time of your dancer's class will determine how parking will be.
- **Label all shoes and bags** with dancer's name. You would be amazed and rather shocked and what get's left behind!
- **Bring water bottles.** Dancer's are encouraged to bring water bottles. Soft drinks, juices, and cups that don't seal are not allowed in the dance rooms. We do have a water fountain but that is in our lobby and water breaks to are shorter than the fountain's line.
- **Watch your dancer on the TV'S!** We have *in studio cameras* in all our rooms so parents can watch their dancers. Parents are not allowed inside the room once classes begin.
- **The lobby does get crowded.** Just like parking, the lobby area will be busier than normal these first few weeks. Please note that during class transitions our lobby does get crowded but this subsides once classes start.
- **Meet the teacher.** All parents are invited into the their dancer's room during the last 10 minutes of class.

Ask our front desk ANY questions you might have. If they do not know, they will find out for you. We are super excited and can't wait to get started.

Remember... Class tuition does not vary from month to month even though some months will have more lessons than others. EDMS guarantees 32 lessons over the 2019-2020 year.
