FROM FATHER CHUCK'S DESK

HAPPY BIRTHDAY, CHURCH! On Pentecost we celebrate the beginning of the Church at the descent of the Holy Spirit upon the apostles. They begin the proclamation of the Good News with Peter's speech in the Acts of the Apostles, which follows the text we hear in our first reading today. He explains the history of salvation and proclaims that God made Jesus "Lord and Messiah." Acts 2:41 says "those who accepted his message were baptized, and about three thousand persons were added that day." Not a bad days' work! It presents a wonderful story to us that demonstrates it is through personal witness and proclamation that the gospel is shared. Since Easter Sunday, at daily Mass we have been hearing the stories of the growing Church from the Acts of the Apostles. The Church grows through the guiding gift of the Holy Spirit along with words and actions of the apostles and disciples. That is still true today. We are empowered with the Holy Spirit to proclaim the Gospel, the Good News, in word and deed, standing for all that Jesus taught us, working for the honor and dignity of every human person and respect for all God has created. If that is not happening outside of the walls of our churches, then what we do inside is for naught.

Recent examples of standing for all that Jesus teaches us and honoring the dignity of every person lie in the outreach ministry we did with the overflow homeless shelter during the winter and in the response of many to the call to oppose SB 179 on abortion. We continue to try to be a voice for affordable housing and fair wages. Sadly, the abortion bill passed, in spite of our emails and postcards and all the efforts made. Kudos to our parishioner, Kathleen Rossi, who gathered others for a strong push with the postcards and testified before the legislative committee. While our position was not heard in the final vote, you can rest assured that it was heard, and so we must be constant in raising our voices.

Some of you may have seen or heard the news that the Cathedral has filed a petition against the City of Reno regarding a tax they have levied against us. While this is probably not a gospel issue, it is an important tenet of our laws that churches not pay taxes. That is part of a separation of Church and State constitutional issue, but also a matter of state statutory law. We filed a protest letter and the city did not respond to it but moved forward with the tax. Apparently, the city is asserting that it is not a tax, but an "assessment". It is connected to the downtown Business Improvement District (BID) which was created to improve the image of downtown by providing services related to such things as cleanup and the homeless crisis and helping tourists feel welcome and at ease. To date the city has failed to explain why they distinguish this service fee from any other taxes. While I do not necessarily oppose the BID in principle, I do take issue with the tax. I am hopeful that we can resolve this matter through discussion but, as yet, we have not been contacted by the city to discuss the matter. I have discussed this with our parish Finance Council and will keep you apprised of the situation.

With the arrival of Pentecost, we come to the conclusion of the glorious Easter Season. The Paschal Candle will be moved at the end of the last Mass to its proper place by the Baptismal Font. We'll move into "Ordinary Time" on Monday. It is not ordinary in the sense of being commonplace, but ordinary in the sense of order or ordinal numbers, we move from week to week, picking up where we left off before Lent, now the tenth week. Pentecost gives us the vision of a Church filled with the Holy Spirit. The Scriptures of Ordinary Time reveal to us the life of Christ, one with the Spirit and the Father. We hear the Word and continue to grow toward perfect discipleship, together, supporting, challenging and lifting each other up.

A JOYFUL PENTECOST AND BLESSINGS OF THE TENTH WEEK IN ORDINARY TIME TO ALL!

DEL ESCRITORIO DEL PADRE CHUCK

¡FELIZ CUMPLEAÑOS, IGLESIA! En Pentecostés celebramos el comienzo de la Iglesia, el descenso del Espíritu Santo sobre los apóstoles. Ellos comienzan a proclamar la Buena Nueva con el discurso de Pedro en los Hechos de los apóstoles, que sigue el texto que escuchamos en nuestra primera lectura el día de hoy. Él explica la historia de la salvación y proclama que Dios nombra a Jesús "Señor y Mesías." Hechos 2:41 dice: "aquellos que aceptaron su mensaje fueron bautizados y alrededor de 3,000 personas fueron añadidas ese día." ¡Nada mal para un día de trabajo! Nos presenta una historia maravillosa que demuestra que es a través de nuestro propio testimonio y proclamación que el evangelio se comparte. Desde el Domingo de Pascua, en las Misas del día, en las lecturas de los Hechos de los apóstoles, hemos escuchado las historias del crecimiento de la Iglesia. La Iglesia crece a través del don del Espíritu Santo que nos guía, junto con las palabras y las acciones de los apóstoles y discípulos. Eso sigue siendo cierto hoy en día. Estamos facultados con el Espíritu Santo para proclamar el Evangelio, la Buena Nueva, en palabras y hechos, de pie por todo lo que Jesús nos enseñó, trabajando por el honor y la dignidad de toda persona humana y el respeto por todo lo que Dios ha creado. Si eso no está sucediendo fuera de las paredes de nuestras iglesias, entonces lo que hacemos dentro es en vano.

Ejemplos recientes de defender todo lo que Jesús nos enseña y honrar la dignidad de cada persona en el ministerio de ayuda que hicimos con el refugio de desamparados durante el invierno y en respuesta de muchos para oponerse a la propuesta SB 179 sobre el aborto. Continuamos tratando siendo una voz para la vivienda accesible y salarios justos. Lamentablemente, el proyecto de ley de aborto pasó, a pesar de nuestros correos electrónicos y postales y todos los esfuerzos realizados. Felicitamos, Kathleen Rossi, feligrés de la catedral, quien reunió a otros para un fuerte empuje con las postales y testificó ante el Comité Legislativo. Si bien nuestra posición no se escuchó en la votación final, puede estar seguro de que si se escuchó y por lo tanto debemos ser constantes en elevar nuestras voces.

Algunos de ustedes pueden haber visto o escuchado la noticia de que la Catedral ha presentado una petición contra la ciudad de Reno con respecto a un impuesto que han recaudó contra nosotros. Si bien esto probablemente no es una cuestión de evangelio, es un principio importante de nuestras leyes que las iglesias no pagan impuestos. Eso es parte de una separación de la cuestión constitucional de la iglesia y del estado, pero también una cuestión de ley estatutaria del estado. Hemos presentado una carta de protesta y la ciudad no ha respondido, pero si se adelantó colectando el impuesto. Aparentemente, la ciudad afirma que no es un impuesto, sino una "evaluación". Está conectado con el Distrito de Mejoramiento de los Negocios del Centro de Reno (BID) que fue creado para mejorar la imagen del centro de la ciudad mediante la prestación de servicios relacionados con cosas tales como la limpieza y la crisis de las personas que viven en la calle y ayudar a los turistas a que se sientan bienvenidos y seguros. Hasta la fecha, la ciudad no ha podido explicar por qué distinguen esta tarifa de servicio de cualquier otro impuesto. Si bien no me opongo necesariamente al principio de la propuesta, tomo en cuestión el impuesto. Tengo la esperanza de que podamos resolver este asunto a través del diálogo, pero, aún, no hemos sido contactados por la ciudad para discutir el asunto. He discutido esto con nuestro Consejo de Finanzas Parroquial, yo les mantendré informados de la situación.

Con la llegada de Pentecostés, llegamos a la conclusión de la gloriosa temporada de Pascua. El cirio Pascual se moverá al final de la Misa de las 6:00 PM a su lugar adecuado junto a la pila bautismal y nos trasladaremos al "tiempo ordinario" el lunes. No es ordinario en el sentido de ser común, pero ordinario en el sentido del orden o números ordinales, nos movemos de semana en semana, recogiendo donde lo dejamos antes de la Cuaresma, ahora la décima semana. Pentecostés nos da la visión de una Iglesia llena del Espíritu Santo. Las escrituras del tiempo ordinario nos revelan la vida de Cristo, una con el Espíritu y el Padre. Escuchamos la palabra y continuamos creciendo hacia el discipulado perfecto, juntos, apoyando, desafiando y levantándolo.

¡UN FELIZ PENTECOSTÉS Y BENDICIONES EN LA DÉCIMA SEMANA EN EL TIEMPO ORDINARIO PARA TODOS!

NEXT WEEKEND'S SECOND COLLECTION TO BENEFIT CATHOLIC COMMUNICATION CAMPAIGN

Dear Brothers and Sisters in Christ,

We collect for the Catholic Communication Campaign to tell the world about our faith. It is taken up each year to provide the funds needed for the variety of communication projects directed towards strengthening Catholic faith, worship and witness. We must use every means available to preach the word to the wider community. With the growth of all media options there are now a wide variety of choices in the way we choose to communicate.

One half of the proceeds from this collection remain in the Diocese to provide much needed support for our communication efforts, such as our weekly televised Mass. Other formats include our web page, www.renodiocese.org and our Diocesan publication High Desert Catholic, which provides information about our Diocese and our faith.

Sincerely in Christ,

Most Rev. Randolph Calvo, Bishop of Reno
