17621	E	CROWNING ACHIEVEMENT - 15 Minutes. When St. Mary's Church in New Haven, Connecticut - the birthplace of the Order - was constructed, financial constraints demanded that a proposed steeple not be included. This inspiring film is the story of the Knights making possible the building of the steeple. This presentation makes an excellent addition to open house or membership campaign programs.		
23475	E	GRAND KNIGHT TRAINING SEMINAR (ENGLISH) - 45 minutes. The grand knight is the highest ranking elected officer of his council. When he is successful in completing the duties of his office, his council will move forward and thrive. To assist in implementing their duties and adding an important page to the history of the Order, the Supreme Council is proud to make available this comprehensive training module. It was created to provide uniformity to the training message that our council leaders receive.		
23476	E	DISTRICT DEPUTY TRAINING SEMINAR - 38 minutes. For anyone to be successful at a job, he needs to be properly

		trained in all facets of his position. The Supreme Council is proud to announce a comprehensive training module for district deputies. It was created to provide uniformity to the training message that our district leaders receive.		
24000	E	SOMETHING MORE - 12 minutes. There are many organizations for young people that offer athletic, social or even service-related opportunities. There is one organization, however, that offers "something more." The Columbian Squires puts a strong emphasis on both spiritual and leadership development. "Something More" will excite any group of young Catholic men with the great activities Squires sponsor and with the chance to join. This film should be seen by every Knights council and assembly to encourage their sponsorship of a Squires circle.		
24358	E-F-S	LIFE AND LEGACY OF FATHER MCGIVNEY - 14 minutes. The Life and Legacy of Father McGivney chronicles the life of this holy and hard-working priest through his boyhood and priesthood to his death in 1890 at age 38. Although his life was short, his impact on the world was enormous. His story is inspirational. The Life and Legacy of Fr. McGivney is a production which should be seen by every Knight in every council, prospective Knights and family members. It is an outstanding film to show at council meetings, open house events, community activities and in recruitment campaigns, to give viewers insight into the history of our Order and the priest who gave it life.		
24378	E	TO BE A PATRIOT - 12 minutes. To be a Knight of Columbus is to play a strong role in the Catholic Church and to assist the community around you. To be a Fourth Degree Knight is to go yet one step further - it is to be a patriot. The Fourth Degree was established to exemplify the Knights' love of God and love of country. This video is an excellent introduction to the Fourth Degree and should be shown to all Third Degree members and their families as part of a recruitment campaign. The production is also intended for general promotional use and would be an interesting addition to any Fourth Degree assembly meeting or open house gathering.		
24555	E-F-S	CHRISTOPHER COLUMBUS: FAITHFUL CHRIST BEARER - 16 minutes. Christopher Columbus knew early in life that he would go to sea. He also knew that his first name meant "Christ Bearer." He believed that he was destined to carry the faith across a body of water, perhaps to lands as yet unknown. This film is a fascinating and entertaining chronicle of Columbus as both an explorer and a man of faith. This film should be shown to all K of C members and to community audiences.		
24742	E	THOSE WHO SERVE 14 minutes. Those Who Serve defines the duties of each council officer. The film is suggested for use at general council meetings and at the first meeting for council officers held early in the fraternal year. It is excellent for use with newly-organized councils.		
24797	E	FACELIFT FOR THE FAÇADE - 21 minutes. By the mid-1980's, 350 years of wind, sun and rain had taken their toll on St. Peter's Basilica in Rome, one of Christendom's most revered sites. The elements had dulled the splendor of the church and threatened further deterioration. In the spring of 1985, the Knights of Columbus stepped forward and funded a team of 70 artisans to refurbish the aging facade. Within two years its travertine stone walls were hand cleaned, the tiles replaced and surrounding statues reconditioned. As this film reveals, through the efforts of the Knights the church was restored to its original magnificence.

26269	E	PEACE OF MIND - 14 minutes. This film provides an overview of the Order's insurance program in easy-to-understand language. This presentation explains the many reasons why our members and their families need protection and reiterates that insurance is for the living. In addition, the viewer learns pertinent background information about the Order's involvement in the insurance, as well as some interesting current facts. This production is ideal for "Insurance Night" presentations.		
50005	E	IN SOLIDARITY AT AQUEDUCT - 18 minutes. Re-live that momentous day, Oct. 6, 1995, when the Knights of Columbus and the Diocese of Brooklyn had the special honor of co-hosting Pope John Paul II's celebration of a papal Mass at Aqueduct Race Track in New York. More than 75,000 faithful pilgrims filled the stadium eagerly waiting to be a part of a truly historic event. This film highlights the Mass, from the pope's arrival and greeting by Supreme Chaplain Bishop Thomas V. Daily, to his departure and farewell to K of C dignitaries.		
50006	E	FOUNDING TO THE FUTURE - 17 minutes. This production is available to councils for showing to prospects and members. The video covers over 100 years of Knights of Columbus history. It also goes beyond the historical, to show how today's Knights are continuing to meet the challenges facing their society and Church. This production is excellent to show to tell our Order's story. Show the film to current members to build their pride in membership and inspire them to ask others to join.		
50011	E	A DAY OF JOY AND HOPE - 25 minutes. On April 1, 2000, more than 12,000 Knights and their families from throughout the Order came together for the Knights of Columbus Jubilee Pilgrimage to the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C. This inspiring video includes footage of the more than 1,000 Fourth Degree member procession into the basilica, comments from <i>Gaudium et Spes</i> honoree Cardinal James A. Hickey, excerpts from Supreme Chaplain Bishop Thomas V. Daily's homily, remarks by Supreme Knight Virgil C. Dechant, and the prayer rededicating the Order to Mary. Use this video to inspire your council's members and show prospects the magnificence of the Order and some of the spiritual nature of the Knights of Columbus.		
50018	E	THE LIGHT OF THE WORLD - 11 minutes. In August 2002, nearly half-a-million young people made a pilgrimage to Toronto for World Youth Day 2002. During this weeklong event, Knights of Columbus were present and participated in all the activities, including the Order's sponsored duc in Altum Park, where the Sacrament of Reconciliation was being administered. This production highlights the enthusiasm and dedication that young Knights have for both the Church and the Order. This is ideal for promoting membership in the Knights of Columbus for those between the ages of 18 and 35.		
50027	E-F-S	EXPERIENCE OF A LIFETIME - 11 minutes. Examines the Knights of Columbus through a series of interviews with Knights of a variety of ages and backgrounds. Interviewees discuss how they first joined the Order, what benefits it has brought them, ways it has strengthened their faith and families and what the Knights of Columbus' principles mean to them. This film is perfect for introducing prospects and their families to our Order.		
50028	E	SHARE THE FEELING - 11 minutes. Covers the 2003 Special Olympics World Summer games, held in Dublin, Ireland in June. The transportation to and from the games for Team USA, Team Canada, and Team Mexico was made possible by a \$1 million grant by the Order. Supreme officers were on hand to present medals to winners. The relationship between the Order and Special Olympics dates back to 1968 with the first games held in Chicago.

50044	E	A DAY OF REMEMBRANCE: "ONE NATION UNDER GOD" - 13 minutes. Passing beneath a huge American flag on September 11, 2002, more than 1,000 members of the Fourth Degree Color Corp from across the United States and Canada, processed into the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C. to begin a "Day of Remembrance" of the terrorist attacks of September 11, 2001, and to make a strong statement in favor of keeping the words "Under God" in the Pledge of Allegiance.
50046	E	EVERYONE HAS A VOCATION TO LOVE, WHAT'S YOURS - Single DVD with five vocations films. How are you personally called to live God's love? What is the vocation he has created for your happiness? This award-winning documentary series explores the enduring witness of Catholic men and women responding to God's call to love. The Vocation to the Laity - shows how charity, the first principle of the Order, serves as the basis for the lay vocation. The Vocation to Marriage - Aimed at young couples and those contemplating marriage, this film can be shown as part of a marriage preparation program or for those who are already married. It was created to provide uniformity to the training message that our council leaders receive.
50049	E	A PEOPLE OF LIFE - 53 minutes. A People of Life is the story of the pro-life movement in North America and of the role that the Knights of Columbus has played over nearly four decades in the effort to help replace today's culture of death with a culture of life. It is a story of extra-ordinary dedication on the part of millions of Knights and their families, and a guide to what it will take to succeed in the end. This video examines all of the

		threats to human life and dignity in the modern age: abortion, human embryonic stem cell research and euthanasia. It is a call to every faithful Catholic to embrace the cause of life. Featured are interviews with Supreme Knight Carl Anderson, March for Life founder - Nellie Gray, Project Rachel founder - Vicki Thorn, Congressman Chris Smith and Atheletes for Life President - Chris Godfrey, among many others.
50050	E	CHANGING LIVES TOGETHER - 11 minutes. In 2005, nearly 25 percent of all councils and more than 55,000 Knights in the United States and Canada reported volunteering with Special Olympics. That year saw the beginning of a four-year (2005-2008) K of C partnership that committed \$250,000 annually to grow Special Olympics in North America and other parts of the world, while pledging even more volunteers for state and local games. The K of C board of directors has voted to renew the Order's partnership over the next four years. Knights and their family members also serve as trainers, coaches, officials, time-keepers, huggers and cheerleaders. They provide uniforms, assist with transportation costs, and stage send-off and welcome-home parties.
50051	E	NEIGHBORS HELPING NEIGHBORS - 3 disk set. The Knights of Columbus is one of the country's leading volunteer organizations and the world's largest Catholic fraternal organization with more than 1.84 million members worldwide. In February 2009, in response to the economic crisis, the Knights sponsored a conference in New York city called "Neighbors Helping Neighbors," which brought together representatives of many of the nation's leading volunteer organizations. This video documents the proceedings from that conference, including a keynote address by Supreme Knight Carl A. Anderson.
50052	E	MADE FOR EACH OTHER - Disc set portrays how man and woman complement each other in marriage. This DVD was produced by the Ad Hoc Committee for the Defense of Marriage, a division of the United States Conference of Catholic Bishops (USCCB) Secretariat of Evangelization and Catechesis, and was funded by the Knights of Columbus.
50053	E	CHANGING HEARTS - (running time - 14 minutes, 30 seconds) presents real testimonies from state and local K of C officials, pregnancy care center workers, and pregnant women themselves, about the effect an ultrasound image can have on changing a woman's intention to abort her unborn child to instead choose life. In the words of several people in the video, an ultrasound image helps a woman to "see her baby for the first time" through a "window to the womb" in a way that is "changing hearts one woman at a time."
50055	E	MADE FOR LIFE - A 10 minute video which highlights the aspects essential to the truth about marriage: the gift of children and the indispensable place of fathers and mothers.
