**6<sup>th</sup> Sunday of Easter**

"Do not let your hearts be troubled or afraid." Can we hear Jesus saying these words to us? It's often easier for us to imagine the apostles hearing this consoling command and following it, than to think of it really applying to us. After all, Jesus was standing right there with them. Can he really expect US, two thousand years later, not to be troubled by the cares of life? But the fact is that the gift Jesus was giving to his disciples, he has also given to us: "The Advocate, the Holy Spirit, whom the Father will send in my name."

Jesus told them that peace would be theirs, and it can also be ours. Peace is, in fact, one of the fruits of the Holy Spirit, along with love, joy, patience, kindness, goodness, generosity, gentleness, faithfulness, modesty, self-control, and chastity. These fruits don't come from us. They aren't just for people with certain cheery personalities. These fruits come from God straight into our souls through the indwelling presence of the Holy Spirit. Through our baptism and confirmation, Jesus gives us the gift of his Spirit. And then his peace, and so many other gifts can truly become ours if we open our hearts to them.

This is a reality that we can contemplate whenever worry or anxiety strike. Whatever may be disturbing our inner peace--whether it be a family feud, some kind of physical suffering, or a difficult decision to make at work or school--we can take comfort in knowing that we can find peace even in the midst of the problem. "Peace I leave with you; my peace I give to you," Jesus says. But he continues, "Not as the world gives do I give it to you." In other words, God doesn't promise to take away the struggle in an instant. But he does promise to give us his peace even in the midst of life's trials and tribulations.

### **RECTORY GARAGE AND STORAGE ROOM COMPLETED**

Congratulations and thank you to all our parishioners who volunteered to help build a new garage and storage building. The building is located by the alley next to the Rectory and provides Fr. Marandu with a garage on one end and on the opposite end a large secure storage room. The 16' x 36' building is insulated and finished throughout. The facility is a valuable addition to our Rectory and a great example of what energetic volunteers can do with limited funds.

Volunteers did most of the demolition of the old shed and worked with the contractor's framing and roofing crew. All interior insulation, sheetrock, finishing and painting as well as exterior painting was done by parishioner volunteers.

Our total out of pocket cost of the finished building including electric service, concrete floor, approach, and sidewalk is \$27,433. We estimate that parishioner volunteer labor saved us about \$5,000 on the project.

Congratulations and thank you to all who volunteered to help on this important project: Tom and Jonathan Previs, Phillip and Dominic Robinson, Craig Chabala, Mike Singh, Scott Bremmer, John Weber, Nick Liewer, Susie Hall, Sante Valpiani, Roberto Navarro family, Tom McMahan, Bill Jauron, and Dick Dahlin.

**St. Frederic Youth Group** would like to thank all who donated coats in February to clothe the needy. We collected over 100 coats. All coats were donated in the St. Helens area. We were able to provide coats to SAFE (the local Domestic Violence Shelter), Iron Tribe (sober living home for adults to live with their children) and My Next Step (a vocational training/consignment store to assist those on government assistance to obtain job skills/training). Many blessing to all who donated.
