**Mother's Day Novena:** God could not be everywhere, and therefore he made mothers! Celebration of Mother's Day is important in our culture as it is in our faith. In the Catholic Church, we recognize the importance of putting our faith into our action. As we near the Novena, I encourage you to take the opportunity to thank God for the gift of life through our loving moms. We remember not only our mothers that are still loving us here on this earth, but also those that are loving us from heaven. This is something we celebrate without ceasing and let's celebrate.
