Mission Statement

philosophical long-term declaration of fundamental purpose

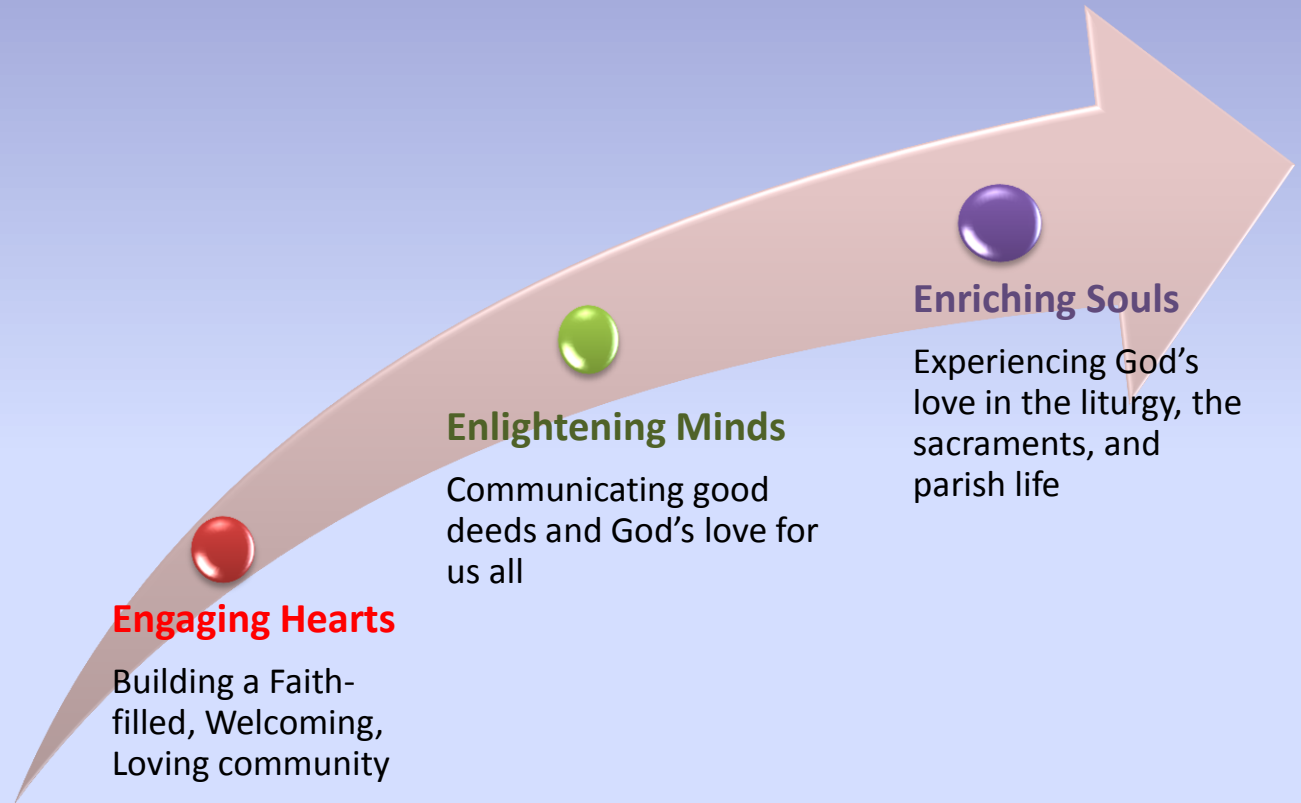

In the tradition and community of the Roman Catholic Church, St. Vincent de Paul's parish mission is faithfully to follow the Lord Jesus as Priest, Prophet and King through prayer, teaching and stewardship. We pray as the local Body of Christ and invite others to join with us. We teach the truth of the Gospel to youth and adults to challenge ourselves to be agents of change for good. We share our treasures with others in a spirit of service and justice.
