

# St. Matthew CATHOLIC SCHOOL

*Happy Birthday, Jesus...*

*The Fourth and Fifth grade students sang and performed a lovely portrayal of the Nativity story at the Christmas Eve Vigil Mass. Under the direction of Mrs. Stach, the handbell choir played traditional Carols. All was calm, all was bright, and even the angels couldn't have done a more beautiful job than our sweet children!*

The UTSA students' chapter of the American Statistics Association met with our school's **STEM** students who completed their research projects and will be competing in the local and regional science fair. Students paired up to analyze the data and their results are ready to go! The first competition will be on January 28, 2017. We are very grateful for this amazing opportunity!
