

St. Anthony Parish  
Fowler, Kansas

It is time for the annual rotation of members on the Pastoral Council. This means we need two new members, as two members who have served for three years go off the Council. Instead of using a voting process, the Pastoral Council would like to use another method to select new members. By returning this form, we are asking parishioners to nominate persons who you think could serve the needs of the parish by serving on the Pastoral Council. You may nominate any parishioner who is eighteen years or older. You are welcome to nominate yourself.

From the names nominated, the Pastoral Council and I (Fr. Ted) will prepare a list of possible candidates for the Council. This selection will be based on a number of factors including the desire to maintain a balance of male and female Council members and to represent the various age groups of the parish. We will begin contacting names on the list until we have two people who have agreed to serve on the Pastoral Council for the next three years. The people on list who have not been contacted will remain on the list in the event that an unforeseen vacancy should develop on the Council in the year ahead.

Please return this form by June 1, 2016

I nominate the following person(s) as candidates for service on the Pastoral Council:
