### STEWARDSHIP REFLECTION

*...as a matter of equality your abundance at the present time should supply their want, so that their abundance may supply your want, that there may be equality.” 2 Corinthians 8:14* We are responsible not only for our own lives, but for the lives of those around us. It is important that we not only grow, nurture and share our gifts; but that we also teach our children and encourage others to do the same. This is the communal aspect of our Catholic faith.
