November 13, 2016 ~33rd Sunday in Ordinary Time

"You will even be handed over by parents, brothers, relatives, and friends, and they will put some of you to death. You will be hated by all because of my name." This is not a pleasant prophecy. On the contrary, Jesus' somber words may strike us with a bit of fear and make us wonder if we will ever actually face such a tragic scenario. We are fortunate to live in a country where religious freedom is tolerated, and of course we hope that this continues to be the case. But the sad fact is that right now, there are Christians in other parts of the world who are living out the reality of these prophetic words. For these men, women, and children of faith, the name of Jesus truly is a cause of persecution and martyrdom.

Let us imagine for a moment that the tables were turned. Suppose we were the ones suffering from the violent advances of anti-Christian forces. Suppose we were the ones losing our homes, fleeing for our lives, tending to our wounded loved ones, or worse. Where would we look for help? To other Christians, most likely, to those who would sympathize with our commitments but who still had the resources to assist us.

We ARE those other Christians. We are the ones who share a common faith with these suffering brothers and sisters on the other side of the globe. We are the ones with the resources to help them, even if it is just in a small way. Our prayers for their protection and peace cannot be underestimated, but neither can we dismiss the significance of contributing in any way possible to those organizations that are working on the front lines to assist the suffering Church throughout the world. May we all do what we can to bring relief to those who need it most.

November 20, 2016 ~ Our Lord Jesus Christ, King of the Universe

O Christ Jesus, I acknowledge You King of the Universe. All that has been created has been made for You. Exercise upon me all Your rights. I renew my baptismal promises renouncing Satan and all his works and pomps. I promise to lead a good Christian life and to do all in my power to procure the triumph of the rights of God and Your Church.

Divine Heart of Jesus, I offer You my poor actions in order to obtain that all hearts may acknowledge Your sacred royalty and that thus the reign of Your peace may be established throughout the universe. Amen.

President, United States Conference of Catholic Bishops:

"The American people have made their decision on the next President of the United States, members of Congress as well as state and local officials. I congratulate Mr. Trump and everyone elected yesterday. Now is the moment to move toward the responsibility of governing for the common good of all citizens. Let us not see each other in the divisive light of Democrat or Republican or any other political party, but rather, let us see the face of Christ in our neighbors, especially the suffering or those with whom we may disagree."

Thanksgiving Day Mass Liturgy - Please consider beginning your day giving Thanks to the One who is most deserving of our thanks! This year, plan to partake in a special celebration of the Mass on Thurs., Nov. 24th at **8a.m.**, along with your Faith Family of St. Charles. You are invited to bring a wrapped loaf of bread to this Mass. Your bread may be a loaf which you baked, or bought, whichever you would normally serve at your table. Place your loaf on the table in front of the altar of sacrifice. During Mass, Father will bless the loaves. Then, at the end of Mass, you are to take a loaf - other than the one which you brought. You are then asked to share the loaf at YOUR Thanksgiving table, keeping in mind the people of your parish!
