Vision for future use of St. Pius Worship space:

Looking for ideas to use the worship space on the St. Pius campus for a ministry to serve the church and build the kingdom other than as worship space. Looking for a ministry that would justify cost to bringing the building up to code for safety and aesthetically updating its appearance. Call Gary Taylor or talk to pastoral council members.

We would like to thank the many volunteers that generously give of their time, talent and treasure to make St. Charles a loving and caring parish that it is.

A special thanks to all of our dedicated servers for all of our weekly masses. You may not realize it, but you have a very important responsibility with our masses. You all do a great job and your parish community is thankful that you are serving.

To any youths or teens in Grades 4-11, we would love to have more servers. Please consider serving and let Fr. Frank know if you're interested and he will train you.

Mark your calendars: Saturday, April 29 we will have the Saturday evening mass at St. Pius Chapel in honor of St. Pius V, Pope's feast day. Mass will be celebrated at 5:30pm(No evening mass at St. Charles that day) After mass we will gather in the St. Pius Hall for appetizers and drinks. Please bring an appetizer to share.

The annual Harvest Dinner & Raffle is schedule for Saturday, October 21. There will be a meeting schedule in May to begin preparations. Please plan to help out if you are able.

Parishioners, we ask you to please check out Formed.org

We would like to provide for all parishioners the opportunity to have access to quality resources that would enhance faith and enrich spirituality. We have the opportunity to purchase annually for \$750 dollars a web site that would connect you to a wealth of movies, audios and books at no cost to you. It would be worth the purchase if many in the parish used it. We would be happy to assist anyone in connecting to this resource and the link would be on our parish website also. Let us know if you would like this.

Disciples of Christ are life-long learners. Whether you attended Catholic schools your entire life or are just beginning the Christian journey, we must never stop learning. This website makes it even easier to study and enjoy your Catholic faith through a dynamic new online platform. Every parishioner will have 24/7 access to the best Catholic content on any device with internet access including your computer, smartphone and tablet. FORMED includes a wide variety of video programs that explain the Catholic faith to beginners and "cradle" Catholics alike. In addition, you will have free access to Bible studies, religious movies, audios, e-books, and more. You can watch a program by yourself, with your family or in a small group. Another benefit of FORMED is that it allows the sick and homebound of our parish to participate as well.
