Dear Parishioners of St. Charles, I find it impossible to express in words how impressed I was Sunday for the way you all turned out for my reception. Your generous gifts and spiritual bouquets, the refreshments and music were outstanding. My Mass on Sunday, July 8th will be offered for you and your intentions. Thank you and God bless you!! *Fr. Frank*

I had a deam today! The baby's brain has begun maturing—a process that will continue until she is about 14 years old. Her eyelids are now

sealed shut and will re-open at 7 months. Her taste buds are now working. Nutrients consumed by her mother are passed on to her within an hour or two. Three hundred quarts of fluid a day are sent to the baby via the umbilical cord. Fine hair begins to grow on head, eyebrows and eyelashes. Facial expressions similar to the baby's parents can be seen at this time. This month REMs (rapid eye movements) have been recorded—a sign of dreaming.

Mass Intentions are needed to fill the weekend mass schedule through July 8th. We know our weekend schedule will remain the same through this date. Envelopes are in the back of church.

Mark your calendar: Harvest Dinner/Raffle is Saturday, October 20.
