The (reserved) Blessed Sacrament serves as a focal point of devotion.

Because, as Catholics, we believe that Christ is truly and substantially present in the Eucharist, the Blessed Sacrament is given the same adoration and devotion that is according to Christ.

At the beginning of the exposition of the Blessed Sacrament, a priest or deacon removes the Sacred Host from the tabernacle and places it in the Monstrance on the Altar for adoration by the faithful. "Monstrance" is the vessel used in the Church to display the consecrated Eucharistic Host, during Eucharistic Adoration or Benediction. It is known in Latin as an (Ostensorium). When a consecrated host is placed in the Monstrance, It is said to be a Solemn Exposition.

When the Monstrance contains the Sacred Host, the priest does not touch it with his bare hands, but instead, holds it with a humeral veil, a wide band of cloth that covers his shoulders and has pleats on the inside in which he places his hands.

At all other times, the reserved Sacrament is kept locked in the Tabernacle, so that the faithful may pray in the presence of the Sacrament.

Eucharist at Ripley Crossing will be on the 1st and 3rd Thursdays each month starting at 1:30pm.

At seven months I looked around today!

Beginning this month the baby use all four senses. His eyelids open and close and the eyes look around. The baby can taste, cough, yawn, and hiccup. He now recognizes his mother's voice. His grip is even stronger now than it will be after his birth. The hair on his head is growing longer and the downy covering on the rest of his body is disappearing. During this time the baby will receive antibodies from his mother providing him immunity to a wide variety of diseases.
