

Joyce Gorkiewicz entered *Sunny Days* (85 by 85") in the quilt show. It was pieced and machine appliqued by Dottie Carlin, Sara Genoa, Jean Johnson, Mary Katherine Heeb, Mary Jean Chatron, Osby Allen, Rita Hedges, and Joyce Gorkiewicz - and then it was machine quilted by Marcia Brenner. The blocks came from a JoAnn's block-of-the-month set that was donated to the Mary Queen Catholic Church Queen Bee Quilters. This prolific group of quilters makes a *ton* of prayer quilts every year and this month they blessed me with one; I was moved to tears with their thoughtfulness and generosity. And then I donated about 150 yards of fabric to their ministry. They are worth it and as a recipient, I know how much a prayer quilt means.
