**From the Pastor:** Devotion to the Sacred Heart of Jesus, as we know it today, began in about 1672. On several occasions, Jesus appeared to St. Margaret Mary and asked for public devotion to His Sacred Heart. That is commemorated by the painting over the high altar here at the Basilica.

St. Gertrude's feast day was Thursday November 16. She was, a 13<sup>th</sup> century German nun and had mystical experiences involving Our Lord's Sacred Heart. She composed the following prayer: "I salute thee, O Sacred Heart of Jesus, living and vivifying source of eternal life, infinite treasure of the Divinity, ardent furnace of Divine love; Thou art the place of my repose and my refuge. Enkindle in my heart the fire of that ardent love with which Thine own is all inflamed; pour into my heart the great graces of which Thine is the source, and grant that my heart may be so closely united to Thine, that Thy will may be mine, and that my will may be eternally conformed to Thine, since I desire that henceforth Thy holy will may be the rule of all my desires and all my actions. Amen."
