

Playground Fund Progress

To date, we have raised nearly \$20,000 for this project. In order to complete the entire project with ALL of the fun, age appropriate equipment, we need to raise an additional \$27,000. We will include as many components as possible on build day. Your donations bring us closer to the dream.

Playground

■ Full Build
■ Progress

What are you doing July 5th and 6th? This is the date we have set for the community build of the expanded playground for the kids! The community build will help us keep cost of the project down and allow us to use the many talents of our school families to make this build a success.

In the meantime, I wanted to give you a fundraising update. Total cost of the expanded area is almost \$47,000. This includes expansion of the area and the addition of many new pieces of equipment that can be enjoyed by all of our children, not just the younger kids. Swings, Ten Spin, a Fitness Structure, Reflex, Jax Web, just to name a few.

Please help us leave a lasting legacy for our kids and all of the kids who will come through Prince of Peace in the future!

If you are not able to attend Pizzazz, but would like to donate, please visit the Donate now tab on the parish website and click on the Playground fund.
