**PA CATHOLIC CONFERENCE**

Is asking for your help. This month the State Senate is considering legislation that would change state law to allow survivors of childhood sexual abuse from decades ago to file lawsuits against private institutions like the Catholic Church, parishes like this one, schools & ministries. This legislation will severely damage the ministries of the Catholic community in Pennsylvania. Public institutions, such as public schools, where the vast majority of abuse cases occur, would not face lawsuits from the past, under this law. Sexual abuse is a serious crime that affects every institution & community in Pennsylvania, public & private. Because of its gravity, it needs to be dealt with comprehensively & fairly going forward. To learn more about the legislation & to find out how to contact your State Senator about opposing it, contact [www.pacatholic.org](http://www.pacatholic.org)

**FOURTEENTH ORDINARY SUNDAY**

Rejoice in the love and compassion of the Lord.

In the reading from Isaiah, we hear that as a mother comforts her child so, too, does the Lord reach out to comfort us. Understanding this, it is important that we open ourselves to the Lord. If we are open to feeling the Lord's care and compassion, it will bring us strength and peace of mind as we walk our daily journey of faith.
