NINETEENTH ORDINARY SUNDAY

Through placing our faith in God and living according to His commands, we become a source of hope.

As we read almost daily about terrorism and violence, it can seem like the good guys are losing. This is not the case. As long as believers in God's ways exist, there is hope that love will overtake hate, good will overtake evil. Jesus' perfect sacrifice of love upon the cross is definitive proof that the power of sin and evil has been defeated. What more do we need?
