James speaks out strongly against people who become rich by cheating their workers. He claims the wealth they have dishonestly collected will be a testimony against them on judgment day.

Gospel: Mark 9:38-43, 45, 47-48

Jesus explains to his disciples that it is acceptable for a person who is not part of their group to speak in his name, but he does warn them that anyone who tries to lead his followers astray will be severely punished. Jesus also discusses personal failing and the importance of taking whatever steps are necessary to avoid them.
