I think we have had enough warm weather this week to say that spring is finally here to stay. Our students worked very hard on a variety of topics. I saw 6<sup>th</sup> graders learn about sound and how it travels, first graders created wonderful thank you notes, and our preschoolers tried a full day of kindergarten on Wednesday! All in all a very busy and productive week!

Last night we also honored all of our student athletes and their seasons here at St. Lawrence. It was great to see all the students, parents, and coaches at the event. I wanted to take an opportunity to again thank all of the coaches who volunteered so much of their time. I also wanted to thank Jill and Chris Hautman for working as Athletic Directors. This is a very time consuming position and they made sure that our sports season was a success. Thank you!

This evening is our last fish fry. Please come out and support the event. Not only is the food delicious, but the company is great as well. Thank you to Amy Thornton, Carleen May, Melany Longo, Melissa Lahey for planning and organizing the event each week. Also a thank you Brandy Branham who got all of our bread for free. Last thank you to all of the parents and parishioners who volunteered their time to make this a success. Let's get out and support it one last time tonight!

With this being the last night for our fish fry, that must mean that next week is Holy Week.

Holy Week begins with Palm Sunday this weekend and St. Lawrence has special Masses and services for Holy Thursday and Good Friday. On Good Friday the evening service is a wonderful new tradition that we have started, The Shadow Stations of the Cross. Our students will lead a very powerful reenactment of Jesus's journey to Calvary. I strongly recommend coming and watching. Please also remember that we **DO NOT HAVE SCHOOL NEXT FRIDAY** in honor of Good Friday.

It is always great to hear about the success of our alumni. This week Lawrenceburg High School had their annual event honoring the academic success of their students. As usual, St. Lawrence students were featured prominently in the event. The following students were inducted into National Honor Society: Jack Bradley, Pablo David, Molly Dunn, Maleah Martini, Dylan Maupin, Casey Radenheimer, Macey Radenheimer, Max Reinshagen, and Emma Sandford. The following students were inducted into Spanish Honor Society: Jack Bradley, Pablo David, Molly Dunn, Maleah Martini, Erin Murphy, Casey Radenheimer, Macey Radenheimer, Gina Romines, and Emma Sandford. The following students received Academic Honors: Mackenzie Bennett, Katelyn Cullen, Emma Dunn, Jenna Martini, Ella McAndrew, Mae Crosby, Brooke Karsteter, Evelyn McAndrew, Riley Mock, Sean Meyer, Jack Bradley, Pablo David, Molly Dunn, Maleah Martini, Dylan Maupin, Casey Radenheimer, Macey Radenheimer, Max Reinshagen, Emma Sandford, Courtney Edwards, Jacob Frank, Julia Ireland, Erin Murphy, Connor Potzick, and Gina Romines. Congratulations everyone, thank you for making St. Lawrence proud.

Now that the weather is changing, please keep in mind our school uniform on Spirit Day. There is a misconception that this is an out of uniform day. That is not the case. Please remember that students need to follow our dress code for spirit days. This means that students need to wear shorts/pants that are solid colored (blue, black, khaki, white, gray), or blue jeans. There should be no neon or bright colored shorts, sweats, etc. Thank you for your cooperation. Have a great weekend, everyone!

Fasting also means changing our attitude towards other people and towards all creatures: from the temptation to “devour” everything to satisfy our greed, to the ability to suffer for love. #Lent
