May 29- 8th grade graduation (5:30 PM)

May 30- Field Day

May 31- Last day of school (9 AM Mass, Awards at 10 AM)

July 31- 1st Day of School

It has been a long and winding road, but the journey has flown by. You are reading your last edition of the Panther Post for the school year. This week our 4th graders took a fun field trip to the St. John's One Room Schoolhouse in Dillsboro. They learned about what school was like in the past and played games that students played over 100 years ago. Our junior high students began their exams this week as well. They seem to be doing well, and the spirits were high on the third floor.

Next week is our last week of school. We are asking that parents come by the office and pick up any medicines that they have dropped off through the course of the school year. We also request that you have your students take one more trip through the lost and found and make sure that their sweatshirts and other clothing items are picked up. Mr. Tibbetts takes a load to Goodwill the first week of summer. In our Friday Folder is also the school supply list for next year. Please look it over.

Our 7th and 8th graders will be taking part in the traditional 8th grade luncheon next Tuesday. On Wednesday evening, we will be celebrating our 8th graders' successes. The 8th grade graduation Mass will take place at 5:30. I am very proud of this group of students. They have been an excellent group of leaders for us. I know that they will be spreading out amongst 6 or 7 schools, but they will always have a home at St. Lawrence. I wish them the best of luck, and know that they have bigger and brighter things in store for their future!

Also next week is our Field Day. This takes place on Thursday. The kindergarten through 4th grade will have Field Day in the back parking lot, while 5th-7th grade will have a kickball tournament across the street after lunch. Most importantly, Kona Ice will be here on that day! Our last day of school will be on Friday, May 31. Students will go to Mass one last time as a community on that day. They are to be in uniform. After Mass we have our end of the year awards to pass out. Everyone is invited to attend. Please remember that students depart after the ceremony on that Friday. There is no lunch or bus service for our students on Friday. Please don't hesitate to call if you have any questions.

It is surreal to think that I am typing up my last edition of the Panther Post. I want to take a moment to thank everyone at St. Lawrence. You have taken Caity Jo, Anderson, and me in as family. All of the well wishes and warm thoughts are very much appreciated. While I am moving on to another professional journey, Caity Jo and I are more convinced than ever that our spiritual home is with you at St. Lawrence. I am beyond excited to have Anderson begin preschool next year, and I know that Fr. Ben, Mr. Detzel, and our staff will continue to do great things here. People often use the tag line "Once a Panther, always a Panther" when discussing their loyalty to St. Lawrence. That is the case with me. I will always have St. Lawrence in my heart! God bless and have an outstanding summer! –Mr. Odar

God does not reside in the greatness of that which we accomplish, but in the littleness of the poor persons that we meet. #Caritas
