

*After making the crossing, they came ashore at Gennesaret....
the crowds scurried.... to bring the sick ... to the place where they heard he was....*

When Jesus turned around and noticed them following him, they asked them, "What are you looking for? "
They said to him, "Rabbi, where do you stay? "
"Come and see, " he answered.

So they went to see where he was lodged, and stayed with him that day.
