

# GETTING TO KNOW EACH OTHER

Spend your first session with your sponsor, finding out a little bit more about one another in this **TALK/WRITE** exercise.

“Talking” can be talking

- in person
- on the phone
- e-mail
- Facebook chat
- Skype

## TALK

Here are some questions for your sponsor to ask you. Let your sponsor pick four of the seven questions. Answer them honestly and give your reasons for your answers.

1. If your house was being evacuated and you only had time to grab 3 items, what would they be and why?
2. Of all the holidays, which is your favorite? Why?
3. What one thing would you choose to do if money was no object?
4. Who is your best friend? What three qualities do you like most about him/her?
5. What would you rather be: president of your class, lead in the school play, captain of a sports team, or the student with the highest grade point average? Why?
6. What are your pet peeves?
7. Of all the things that happened in the past year, what made you happiest?

## **TRADE PLACES**

Now it is your turn to ask your sponsor four of the seven questions.

### **WRITE**

Sponsors and candidates should take a minute [time yourselves – 60 seconds] to jot down all the things you can think of that you *learned* about the other person through asking these questions and hearing the answers. (What did you learn you *didn't* know? What *surprised* you?)

### **SHARE**

Share with one another the list of things you learned.

### **WRITE**

Now, each of you take a minute [Time it! Sixty seconds!] to write about this question:

What might who we are, what we like and what we think about day-to-day things have to do with Confirmation?
