

JDRF

“At JDRF, we're leading the fight against type 1 diabetes (T1D) by funding research, advocating for policies that accelerate access to new therapies, and providing a support network for millions of people around the world impacted by T1D.”

JDRF would be a great place for students to get service hours! Service hours are available on weekends and evenings after school.

Some options they could use help with would be the Type 1 National Summit, their educational conference, addressing envelopes for events, organizing and stuffing mailings. If you are interested volunteering at JDRF please email kansascity@jdrf.org.
