

Midnight Farm

Midnight Farm is a day camp for adults with special needs. They are looking for volunteers to help with an event the weekend of October 5 & 6 and have other events and weekend opportunities to earn all 25 service hours.

This service opportunity is suggested for Juniors and Seniors as its an hour away from SMA in Baldwin, Kansas. Please contact Kourie Kanaman, *Property Manager/ Event Coordinator* at kouriekanaman@clokan.org or call:

Office: (785)-979-1889

Cell: (972)-268-0514

October 5 & 6 Information - Midnight Farm is very much in need of volunteers for the **Kaw Valley Farm Tour on October 5th from 9AM- 6PM and the 6th from 10AM-5PM**. Volunteers can come in shifts or they can stay the day to get more service hours. They need a portion of the volunteers to be willing to work with special needs adults. The volunteers that are not comfortable with that will be doing things like directing traffic & picking up trash. For those volunteers that are willing to work with special needs adults you will need to go through a short training session before the Tour. During the Tour you will be paired up with one or two adults and assigned a station to collect tickets and help out anyway needed. There will be stations for golf cart rides, petting pals, wagon rides, pumpkin patch, and much more. Each station is going to cost one ticket, so no money is going through volunteers hands. We want these stations to be primarily ran by our adults with help from the volunteers.
