## Reprint Editions of the Order of Christian Funerals

*from the USCCB Secretariat of Divine Worship Newsletter*

June 2018

Liturgical publishers, working with the Secretariat of Divine Worship, have been preparing updated reprints of the *Order of Christian Funerals*, incorporating the newer translation of prayers that are also found in the *Roman Missal, Third Edition*, and likewise incorporating the revised capitalization standards of the Missal. **As a matter of clarification, the Secretariat wishes to observe that there have been no changes whatsoever to any of the funeral rites, and that the updated reprint editions are not mandated for use. Currently existing versions remain perfectly acceptable for liturgical use in the United States.** The International Commission on English in the Liturgy has no current plans to prepare a new translation of the *Order of Christian Funerals*.
