

Sample Intercessions addressing current events

September 6, 2019

Hurricane Dorian

For the victims of Hurricane Dorian: mercifully receive the souls of the dead, comfort all who mourn and grant them grace to rebuild their homes and communities, we pray to the Lord.

That the victims of Hurricane Dorian may find peace and consolation in you and generous help from their neighbors, we pray to the Lord.

Relief for Farmers & an Abundant Harvest

For farmers in our diocese and throughout the Midwest, that they may continue to flourish even as they face financial difficulties, we pray to the Lord.

That farmers, who tend your Creation for the benefit of the world, will have an abundant harvest and financial security, we pray to the Lord.
