All are invited to come see the new lighting, furniture and landscaping that can now be used by groups wishing to host an outdoor reception in a quiet, peaceful setting. We look forward to seeing you!

Did You Know?

Often, there are many ways to solve a problem, and many possible solutions. If you teach your children to problem solve creatively, and think outside the box when they are faced with a challenge, this can help them formulate problem-solving skills that will serve them well throughout their lives. By using creative problem-solving methods, parents and children can brainstorm new ideas to protect kids from stranger danger, abuse, violence, and the other risks present in the world. Discuss possible solutions and highlight common themes to help your children develop strategies for staying safe. For a copy of the VIRTUS article, "Creative Problem Solving—How Can It Help?", email: jvienna@la-archdiocese.org or call (213) 637-7227.
