### *A Family Perspective by Bud Ozar*

Having possessions is an illusion. In today's gospel Jesus told the young man to give up his need to control and put his trust in God. He couldn't let go! In families our need to control destroys relationships. We can lead, teach and encourage, but we can't control anyone but ourselves.

### **Calling All Mission Voices!**

Next Sunday, **WORLD MISSION SUNDAY**, we are called to be part of the Church's missionary efforts, supporting mission priests, religious Sisters and Brothers, and lay catechists who provide loving service to those most in need.

As Catholics around the world — *here at home and in the Missions* — gather at the Eucharist around the table of the Lord, let us...

PRAY for the Church's worldwide missionary work

OFFER financial HELP through the Society for the PROPAGATION OF THE FAITH for vulnerable communities throughout Asia, Africa, Latin America and the Pacific Islands.
