### Not sure who W.O.W. is?

W.O.W stands for Women of Worship and is an organization of St. Anthony's parish. Our purpose is to bring women of all ages together for fellowship and growth and to reach out to our friends and family with the message of God's love as demonstrated through Jesus' life, death and resurrection.

#### Our Mission:

*To build relationships by:*

- Widening our circle of friendships among women within the church family
- Serving God by using our giftedness for the benefits of others.

*To strengthen women by:*

- Spending time in the word of God
- Entering the word of God in our conversations when we are together
- Encouraging women to participate in a small group family
