### Passion (Palm) Sunday April 9, 2017

On Passion Sunday we begin Holy Week with the celebration of the Lord Jesus' triumphal entry into Jerusalem. Before the 9 am, 11 am, and 6 pm Masses, we gather outside church for the "Blessing of the Palms".

As in the past, we are encouraging parishioners to bring their **own** "palms" from home—they can be strips of palmetto leaves, sago fronds, or similar greens. Knowing that some may not have access to palms, we invite all parishioners with **Sago Palms** to bring as many extras as possible. (Please remember to trim a space near the base of the branch for easy holding). Please bring any extra palmetto leaves and sago fronds to the Pavilion on **Thursday, April 6, Friday, April 7, or early Saturday, April 8**. Please be sure to make every effort to attend these special liturgies as we begin this most Holy Week of the Church year.

## Consideration of our Christian Commitment: A Lenten Journey

**This Fourth Sunday of Lent's Gospel is the story of Jesus and the man born blind.** Unlike many of the healing

accounts in the Gospel where Jesus simply heals a person and they leave praising God, this is a long account which details the effects of the blind man's healing on many – on him, his parents and family, the onlookers, the scribes and Pharisees. I find it interesting and good to be reminded how one action of Jesus affected so many, not just the man who was healed.

We experience the same thing in our own world today with what is commonly known as the **“Ripple Effect.”** One action, even a small action such as a smile or kind word, can be carried by the receiver into his or her day, making changes in the days and lives of others, in both positive or negative ways. A lot of images have been used over the years to express this reality such as a stone thrown into a pond, but we see a powerful example of this in today's Gospel. Christ's action brings some closer to God's love and activity and drives others farther away. As we journey through Lent, let us pray that our actions, great and small, may always have a positive influence in our world.

**Another beautiful ministry with a “ripple effect” in the parish is the St. Joseph Altar.** Built by the **Friends of St. Joseph**, it is a wonderful ministry which reaches out into the parish and

community in many ways. In late January, early February, we began to see cookie makers every Tuesday and Thursday in the parish hall baking cookies to give out to visitors last Saturday. Bags of cookies have often accompanied me as I made hospital visits and visits to homebound parishioners. Children from the Early Learning Center looked forward to their visits. In time, cookies gave way to cakes which were baked and decorated by the Friends of St. Joseph. Finally the cakes gave way to casseroles, spaghetti and spaghetti sauce. I was told that over five hundred people were served last Saturday. Then the ripple continued as all the left overs were brought to the sisters at St. Agnes to be served to the poor and needy who visit their soup kitchen. Those who worked on the altar were too many to be gathered together at one time, but many of the workers were present for the

Blessing of the Altar (above) on Friday, March 17<sup>th</sup>. Each year the altar is dedicated to someone or a family. This year it was dedicated to the flood victims and those who

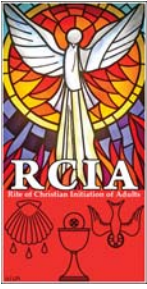

gave assistance. I thought it was appropriate to have Lota Lamonica, who has coordinated much of our relief efforts these seven months, pose by the dedication sign. Much food, much good will, and many good ripples throughout our parish, our

larger community and beyond – We thank all who participated with the altar in any way.

**Many are asking about the Adoration Chapel.** There are two things remaining to be done. First there are still a few hours which need to be covered. Also there are those who wish to continue but may not yet be back home. They need to be contacted and see where they are in their readiness to resume this prayer ministry. They will be contacted. Volunteers can contact Allison Renfrow at [arenfrow05@bellsouth.net](mailto:arenfrow05@bellsouth.net). Love,

### Rite of Christian Initiation of Adults

#### RCIA-THE RITES OF SCRUTINY

This Fourth Sunday of Lent we, the assembly, celebrate with our Elect the second of three Rites of Scrutiny which includes prayer for the strength to be faithful to the gospel and deliverance from evil. The Elect will bow in humility as the priest and our community prays for them.

The Rites of Scrutiny are meant to uncover and then heal all that is weak, defective, or sinful in the elects' hearts and to bring out through repentance all that is upright, strong and good. Three Scrutinies are celebrated in the parish community on the 3rd, 4th, and 5th Sundays of Lent, after the Homily. The celebrations of the Scrutinies also remind the whole parish community of the need to reflect on our own sins and the need for God's help. In our faith journey with those seeking Baptism, we must stir our souls to expose any parts of ourselves that have not been purified by the burning love of the Holy Spirit. Use this group of readings as Lenten reflections, asking the Lord to give you the grace to hear what is being said to you.

### Catholic Relief Services Rice Bowl SPOTLIGHT: El Salvador

El Salvador is the smallest and most densely populated country in Central America. With a population of just more than 6 million, it is also considered the most industrialized country in Central America. However, its people continue to face serious challenges. An estimated one in five El Salvadorans have immigrated. The income inequality between rural and urban areas is severe and low economic growth and high levels of violence and insecurity continue to affect Salvadoran society in profound ways. Environmental degradation and global climate change make the country highly susceptible to natural disasters. For downloadable photos, visit [csrce Bowl.org/photos](http://csrce Bowl.org/photos).

**Recognizing God in your Ordinary Moments**

Talking about discipleship and truly being a disciple are two very different things. It is easier to know what we should do than to carry out. Many saints from our tradition have had much to say about this struggle to do what they know they must do, and not do that which they know they shouldn't. It is part of being human.

Without God, we have no chance to overcome this predicament. Without God, our actions can ring hollow, or often we are too immobilized to act at all. Without God, we suffer with blindness to the truth of what is important and eternal.

The story in John 9 of Jesus healing the blind man is about more than a physical healing and just one man. It is about how each of us can find healing of our blindness by turning to Jesus Christ. Are you someone that has been saying, "I don't understand all this talk of discipleship and stewardship; what's the big deal?" We all have a blindness that needs to be healed, and the body of Christ needs you so that God's presence in our world can be seen in a more profound manner. The reality is that God heals the blindness of those who seek him so that, in turn, they may be vehicles by which others may see as well. This Lent, you are invited to bring your blindness to Jesus. All the written reflections in the world will not give you new eyes. Those eyes can only be found in Jesus.

Spiritual Adoption Third Month Developing Baby

During this month the baby grows to a length of more than two inches and a weight of one ounce. At nine weeks fingerprints are evident and never change. The baby now sleeps, awakens and exercises muscles energetically - turning the head, curling toes and opening and closing his or her mouth. The palm, when stroked, will make a tight fist. Fingernails and toe nails form, and the baby's sex is now identifiable. The baby breathes amniotic fluid to help develop and strengthen the respiratory system. Vocal cords are complete, and at times it appears as if this little baby is crying.
