

The Ministry of Evangelization, Catechesis, and Catholic School

The Ministry of Evangelization, Catechesis, and Catholic School encompasses specific evangelization efforts, catechetical processes and programming. It should be noted that while evangelization—the proclamation of the Good News to all humanity is the work of all ministries; there are times when special efforts need to be placed on reenergizing the community so that it focuses on spreading the Gospel message.

This committee and any appropriate subcommittees are to oversee the ministry area to ensure that the needs of the parishioners are being met in terms of various aspects of faith formation and that there is adequate training for those who minister in this area. This parish committee may also do some planning and implementation of programs with other parish cluster committees.

Specific ministries, which come under the umbrella of evangelization, catechesis and catholic schools, are:
