Is A FUN Place To Be!

SUMMER

Summer EDP is an extension of our regular after school program. It provides interim childcare from the closing of the SBS school year until the Fourth of July holiday. Activities such as computer time, gym time, and lunch take place in air conditioned rooms.

Children have the opportunity to participate in both indoor and outdoor activities such as organized games, field trips, and arts and crafts.

All students, current as well as newly enrolled are eligible for Summer EDP. Completed forms and payment are due May 1st.
