Dear Parents/Guardians,

I am grateful for the opportunity to teach your child during his/her fifth grade religion class this year.

Alive in Christ is the grade 5 religion series. Each chapter provides suggestions for students to live out the faith, at school, at their parish, at home, and in their communities. Practical examples are given to explain the ways in which we can worship, live, pray, and serve others.

The student book includes lessons on the Church year, feasts, saints, and seasons. The core chapters have clear objectives and activities. Catholic Social Teaching/ Live Your Faith features lessons which teach students about Jesus and the Church. Our Catholic Tradition provides information on our Creeds, Sacraments, prayers, and our Catholic faith.

Please visit www.aliveinchrist.osv.com to take advantage of the online resources which are available in the series.

My web page is located under **Religion Gr. 4-6** on the school website. See the *Teacher Pages* tab, click on *Teacher Directory*, and scroll down to the bottom of the list.

Grading scale:

Tests: 30%

Quizzes: 25%

Projects: 20 %

Classwork/Homework: 25%

Thank you,
Maria Hoover
