

Dear Parents/Guardians,

The OLA Lunch program will begin on 10/1/18. The order slips are due no later than Friday, September 21 for the week of October 1, 2018. The menu should be available tomorrow (9/11/18) from NDS and order slips are on the school website. The cost for lunch is \$2.60 this year.

Because the appliances were not salvageable from the school after the fire, all new appliances were ordered. We have received the refrigerator and freezer but the oven will not be in until October. Because of this, we will be offering a **Cold Lunch Menu** until the oven is in and set up.

Please print the menu and circle the days you are ordering lunch for your child/ren and hang on your refrigerator, so you don't forget what days to send them with a lunchbox! When filling out the order slips, please check the days your child wants lunch. **There must be a slip for each week.** Do not write "for the month" on one slip and hand it in. It will be returned. **There must be a slip for each child ordering.** Do not put two children on one slip as these slips are the child's ticket to get their lunch. Even if you qualify for free lunch, order slips must be filled out and sent to school by the due date.

Those of you that have received a letter stating you qualify for free lunch will be free for the year (unless there is an income change). If you were free last year, it does not necessarily mean you are free this year. Please, if you have not received a letter this school year, submit a form for qualification on the website www.paschoolmeals.com Paperwork and applications are available at the school office.

I am looking forward to a great year with your children. Please have patience, as we figure out lunch times and menus! If you have any questions or concerns, please contact me via email at mmagerr@olaschool2.com.

Thank you!

Mary Magerr
