This will allow us to better communicate with you throughout the week and keep you updated with relevant parish news or updates. The app is very well designed and very intuitive. It will be a great resource for parishioners by providing daily Mass readings, Catholic news and prayers, convenient prayer and Confession reminders, our bulletins and more. We hope for our new app to be a tool for fostering stronger parish life at Holy Trinity and better engaging the New Evangelization. See Brian Kirby for more information and look for the banners and download cards at Mass next weekend!

“For where two or three are gathered together in my name, there am I in the midst of them” These closing words of our Gospel account this weekend remind us of the essential and life giving nature of the community of believers in Jesus Christ found within the Church. We already know that when we come together as one Church to celebrate the Eucharist every week, Christ Himself is present there with us in the form of bread and wine on the altar. We should also know and believe that Christ is also with us when we gather together as one faith community for fellowship and to be with each other. This element of community and fellowship was essential in the ministry of Christ and the disciples, whenever they were teaching or proclaiming the truths of the Kingdom of God, they were always together with large crowds of people. We must find our strength and life in the holy sacrifice of the Eucharist, gathered around the table of the Lord but we must also draw strength and encouragement from our community of believers. The mission of the Church is to be witnesses to Christ, and to proclaim the Good News to all the world. We must strive to be a parish filled with disciples who seek community and fellowship, we must work together to build up this Parish. It is only through working together and being as one that we will advance our mission and call our brothers and sisters back to their Church. Pray this week for an increase in fellowship and community among our parishioners. May God bless you.”- Brian Kirby
