Easter Sunday

Happy Easter! He is risen indeed!

Christian mysteries are different from Agatha Christie or Sherlock Holmes mysteries. Christian mysteries are not meant to be solved. Our mysteries are to be entered into; encountered with faith and assent; they are to evoke a sense of awe at the wonders of God.

Resurrection is the mystery of Easter—Jesus, who was dead, is now ALIVE. As the early followers encounter the Risen Christ they express the same questions and doubts many of us live with or have dealt with in our growth of faith. A challenge we modern folks face is the temptation to understand and explain this mystery. We cannot solve this mystery; it is beyond our comprehension. Yes, we are to wonder about it, question how it could be, and what it might mean—this is what prayer is about—but to be satisfied with an answer explaining precisely what resurrection is would be to deceive ourselves. *This event of Easter has changed everything in human history.* Blessed are we who believe!

SOCIETY OF ST. VINCENT DE PAUL Today as we celebrate the feast of Easter we find the challenge of also seeing and believing the resurrection that comes through our own lives of self-sacrifice. It is then that we are truly Easter people! As you place your gift in the **Society of St. Vincent de Paul Poor Box**, know that you are a sign of God's love to those who are suffering and you give them Easter hope and joy. *God bless all and a joyous Easter. Pray for peace.*
