

Dear Brothers and Sisters in Christ:

Your Faith may be strong, but with all of life's distractions, do you sometimes ever stop and wonder:

"Is this the real life? Is this just fantasy?"

Do you feel it is time to become re-engaged with your Faith, and more specifically, your Faith Community? For those of you who have "CRHP'd" at St. Alphonsus, you know this was a superbly enriching experience. Do you wonder what happened to Christ Renews His Parish?

Well... it's time for a kick-start, and we need you to Bring the Band Back Together!

Please consider Welcome! a new kind of fellowship opportunity for Men and Women. This newly redesigned retreat ~ think of it is CHRHP 2.0 without the surprises ~ scheduled for Men the weekend of September 13 – 14 ~ the Women's weekend is November 1 – 2.

We're looking for a few original team members from past CRHP teams, as well as anyone who is interested in a new adventure with Christ. If you feel called to share your experience with Welcome! (2.0), please let us know by emailing back your general interest.

Meanwhile, we would love to meet you – we've answered God's call and are working with Joseph Tumasian to be your Lay Directors for Welcome! Please prayerfully consider your participation or offer of support for any pre-planning. We're looking for a late May/early June start date, and will have more information soon.

We are blessed to have been Welcomed by all of you at St. Alphonsus and look forward to serving all of you in God's name, because he made all of us "Somebody to Love"!

Peace,

Gordon & Susan Perry
