

## The Bulldog Barks February 8, 2019

---

### Mr. Brookbank – Principal

[brookbank.science@mystmarys.com](mailto:brookbank.science@mystmarys.com)

We had to cut Catholic Schools week short due to bad weather. The Dress like a Farmer and PJ day were both good days. Students ate lunch together with their Prayer Buddy or Guardian Angel and PTO took their pictures together. Students should have received their photos this week.

### ***Saint of the Month***

St. Simon the Zealot

We implemented iLearning days for the three days that were missed last week. This means that we do not need to make up the missed days.

We have several students that are not completing their iLearning work by the due date. All work is to be completed and returned to their teachers 2 days after their missed day (i.e. Wednesday work would be due on Friday, Thursday work would be due on Monday and Friday work would be due Tuesday).

Going forward, if a student returns to school with incomplete work, it is up to the individual teacher, if they will allow the student to complete the work on the first day back (during free time and/or recess) or give the student a failing grade for all missing work. If you have questions, please feel free to contact me at 812-926-1558. We are fortunate that we can participate in the iLearning program and not have to make up missed day. If we as a school do not comply with the rules of the program, we will not be able to participate going forward.

At this point, St. Mary's does not need to make up any missed days.

### **ILEARN**

Students in the 3rd - 8th grades have begun practice test sessions for ILEARN testing during school. Mr. Brookbank discussed what St. Mary's is doing to prepare for ILEARN, at the PTO Meeting on Wednesday, January 23, 2019.

We would also like to offer students a snack on testing days and are asking for parents to send in individual snacks (store bought or homemade) and we will distribute to the classrooms. Students are only allowed to take one test per day, so they will be testing over several days. The older students will most likely be taking a test every day!

- ILEARN testing is scheduled for the week of April 22nd through May 17, 2019.
- IREAD-3 testing has been rescheduled for March 11 – 15, 2019.

**\*\*Please do not schedule any appointments or vacations during these dates. I apologize for any inconvenience. All of this testing is state mandated and does impact our schools rating. \*\*\***

### **MISSION FESTIVAL**

Look under Mr. Waldon's section for information regarding the Mission Festival!

### **Google CS First Workshop**

Mr. Brookbank, Mrs. Rice, Mrs. Baker, Mrs. Meyer and Mrs. Ryan participated in the Google CS First Workshop hosted by Five-Star Technology. Google CS First is one of many initiatives at Google focused on improving access to computer science education. Computer science is a 21st-century skill that enables kids to be creators, rather than just consumers, of technology. Its emphasis on problem-

solving is applicable across disciplines, driving growth and innovation across all sectors of the workforce. For more information visit their website at <https://csfirst.withgoogle.com/s/en/home>.

### **PTO – Fish Fry**

Thank you to everyone who attended the PTO meeting. We discussed the upcoming Fish Fry Season and began the sign ups. If you signed up at the meeting I have already added your name to the online schedule. Please check it to make sure it is correct.

I have clarified some of the positions and added better descriptions. For example Drive Thru used to just have 3 open positions. Now it is listed as Drive thru Outside taking orders, Drive Thru Inside Serve, and Drive Thru/Carry Out Desserts. So technically same amount of spots, just broken down a little differently so everyone know exactly what they are signing up for.

The only other thing we adjusted for schedules is allowing 5 Graders to be Minnows this year. The 6-8 classes only have 29 students and we need at least 10 minnows per week. The larger 5th grade class (16 students) has a lot of younger sibling of 6-8 students so it will allow for the same families to have multiple minnows while a parent is working. Please sign your students (minnows) up for the same day that a parent is working.

Below is the link for signing up online. Signing up for MORE THAN 1 WEEK is strongly encouraged. There are 48 open spots per week, and around the same amount of school families so we need you to fill multiple spots. We have a group of volunteers that come help every week that are not school families and we are going to ask parishioners to help too, but the majority of our spots need to be filled with school parents.

As always, please call, text, or email with any problems, questions or suggestions. (859-240-9390 cell)  
Thanks for volunteering,  
Michelle Ryan  
PTO President

There is a can by the front door of school, with the Ronald McDonald logo on it. Please bring in your beverage tabs and put them in the can.

**Kindergarten – Mrs. Denning****[amy.denning@mystmarys.com](mailto:amy.denning@mystmarys.com)**

In phonics this week we will focus on letter **Ww**- keyword-wagon. We only have one more letter to go to finish the 26 letters of the alphabet! We will work with accented syllables, and 4 new "pop-up" words. Our list just keeps growing!

In math we will work with cylinders, and continue working with pennies, nickels, and dimes, and counting by 5's and 10's. We will also be dividing by sharing.

Our Valentine's Day celebration will be Thursday, Feb. 14. Please remember to send in Valentines by Wednesday, 2/13. Thank you to Jessica Wismann for being our party planner.

Midterm letters will be sent home on Thursday, Feb. 14. Please remember to sign and return them to school.

Show-n-Tell for the week of Feb. 11 will be- Kk.

Have a wonderful week.

**Grade 1 – Ms. McPherson****[mcperson.1@mystmarys.com](mailto:mcperson.1@mystmarys.com)**

In Phonics we will be learning to divide words with a *vc/cvc/cv* (vowel, consonant, consonant, vowel, consonant, consonant, vowel) pattern. We will also be reading and spelling words that contain final, stable syllable –tion (as in lotion) and digraph ue (as in glue).

Our Valentine's Day party is on Thursday. Remember to bring your Valentines!

**Grade 2 & 3 – Mrs. Grove****[annmarie.grove@mystmarys.com](mailto:annmarie.grove@mystmarys.com)**

It has been a busy week. We were very sad when Mrs. Rector's mom died on Monday. We made cards to give to Mrs. Rector. On Tuesday Morgan Tedesco Jobst visited our classroom to continue the character building program called Endless Possibilities. Wednesday was fun because the 4th graders joined our class for a day while Mrs. Meyer took some more computer training. The 4th graders missed Mrs. Meyer. The Captain Cash program (economics) from the Purdue Extension office started on Thursday. Then on Friday the Zones of Regulation Program started. This program will teach us that all feelings are normal AND that we can actively take control to do things to help ourselves handle these feelings. Finally, we were so happy to see the talent show put on by STO and the 5th – 8th graders in honor of Catholic Schools Week.

**Grade 4 – Mrs. Meyer****[amanda.meyer@mystmarys.com](mailto:amanda.meyer@mystmarys.com)**

Third and fourth graders are off to a great start reading their new novels. Third grade is reading *The Chocolate Touch*, and fourth grade is reading *Stone Fox*. I think both groups will really enjoy their book. Students have finished their animal research for their informative PowerPoint. We are going to first work on creating an introduction and conclusion, and then students will put all their information into a PowerPoint. They are anxiously waiting. Journals for third and fourth grade are due Thursday!

I think students will have fun in math the next couple of weeks as we cover the graphing chapter. Students will learn more about line graphs, bar graphs, circle graphs, and pictographs. We will also practice probability.

Have a great week!

### **Grade 5 – Mrs. Baker**

[leslie.baker@mystmarys.com](mailto:leslie.baker@mystmarys.com)

Fifth graders are learning about the colonization of North America in our social studies chapter. We are discussing the mystery of Roanoke Island this week and will predict what we think happened to the colonists. In math, we are working on multiplying mixed numbers and will start dividing fractions. We will have a test over chapter 8 in religion this week. We will review in class on Tuesday and our test will be Thursday.

Midterms go home this Thursday. Students should have at least half of their AR points by this time. Our Valentine's Day party will also be Thursday. Have a great week!

### **Grade 6 – Mrs. Rice**

[suzy.rice@mystmarys.com](mailto:suzy.rice@mystmarys.com)

Thank you to the talent show participants. You did a fantastic job. Thank you to the 8th grade STO members for being the MC's. We have a lot of talent at St. Mary's. Consider sharing your talent next time!

6th grade will have their next math test on Thursday. The study guide will be passed out on Tuesday. 8th grade has a test over solving linear equations on Tuesday (7.1-7.4). Then on to word problems on Wednesday for several days.

### **Grade 7 – Mrs. Rector**

[kim.rector@mystmarys.com](mailto:kim.rector@mystmarys.com)

I want to thank everyone for their wishes of sympathy this week. My mom died on Monday afternoon after a short battle with acute myeloid leukemia. I appreciate everyone who helped cover for me at school so I could be with my family. Thanks especially to Mrs. Wismann for carrying out the lesson plans, and to Mr. Brookbank, Mr. Waldon, and Mrs. Rice for helping her out.

### **Grade 8 – Mr. Waldon**

[jim.waldon@mystmarys.com](mailto:jim.waldon@mystmarys.com)

Our Mission Festival is scheduled for Friday, March 1st from 12:30 until 2:00 P.M.. Parents, grandparents, and friends in general are invited to help the 8th graders raise money for various missions and charities. Most activities cost \$0.25 to \$0.50 cents, and activities include cake walks, free throws, golf, ring toss, face painting, a concession stand, pie in face (of three willing 8th graders), prizes, prizes, and more prizes. The GRAND PRIZE will be \$50.00 cash.

Students planning to go to South Dearborn High School should return their materials to the guidance department at South Dearborn as soon as possible. Even those who feel there is some chance they will attend South Dearborn should turn in the materials, in case their plans would change.

Eighth graders are now raffling a black 7" Samsung Elite tablet and are selling chances for a drawing to be held on February 28th. The cost of the chances will be \$5.00 each or 3 chances for \$10.00. Those who sell chances will earn credits for our class trip.

Remember that our next class trip payment of \$300.00 will be due on March 1, 2019. Payments are not refundable due to the fact that the cost of the trip is based on the total number of people going along. God bless!

### **MISSION FESTIVAL!!!**

Our annual Mission Festival will be held on Friday afternoon, March 1st from 12:30 until 2:00 p.m. in the Activity Center. Help the 7th and 8th graders raise money for several charities and mission causes! If you have white elephant items which we could use for prizes, we would gratefully accept them. (Please, no prizes which were won in previous years.) **We will be selling chances for our prizes and our Grand Prize of \$50 during the coming school days and during the festival. Chances are a quarter each.** We plan to have face painting, ring toss, free throw, cake walks, refreshments, a jail, lots of prizes, and lots of fun. **EVERYONE IS WELCOME!**

## **7th and 8th Grade Science – Mr. Brookbank**

Both classes are completing the section on diffusion/osmosis of chemical substances. We will begin on Tuesday an intense study of Genetics. Basic Mendelian principals will be introduced with labs to accompany the concepts. Human genetics disorders will be introduced with probability of occurrence examined.

## **Kids Art Competition**

The art guild has moved the kids art competition from our August show to our April show. The did this to make it a little more "kid friendly". The teachers do not need to do anything, the students should be able to do this independently. See attached for information and entry form.

## **Saint of the Month**

### **January – St. Simon the Zealot**

In St. Matthew's Gospel, we read of St. Simon or Simeon who is described as one of our Lord's brethren or kinsmen. His father was Cleophas, St. Joseph's brother, and his mother, according to some writers, was our Lady's sister. He would therefore be our Lord's first cousin and is supposed to have been about eight years older than He. No doubt he is one of those brethren of Christ who are mentioned in the Acts of the Apostles as having received the Holy Spirit on Pentecost. St. Epiphanius says that when the Jews massacred St. James the Lesser, his brother Simeon upbraided them for their cruelty. The apostles and disciples afterwards met together to appoint a successor to James as bishop of Jerusalem, and they unanimously chose Simeon, who had probably assisted his brother in the government of that church. In the year 66 civil war broke out in Palestine, as a consequence of Jewish opposition to the Romans. The Christians in Jerusalem were warned of the impending destruction of the city and appear to have been divinely ordered to leave it. Accordingly that same year, before Vespasian entered Judaea, they retired with St. Simeon at their head to the other side of the Jordan, occupying a small city called Pella. After the capture and burning of Jerusalem, the Christians returned and settled among the ruins until the Emperor Hadrian afterwards entirely razed it. We are told by St. Epiphanius and by Eusebius that the church here flourished greatly, and that many Jews were converted by the miracles wrought by the saints. When Vespasian and Domitian had ordered the destruction of all who were of the race of David, St. Simeon had escaped their search; but when Trajan gave a similar injunction, he was denounced as being not only one of David's descendants, but also a Christian, and he was brought before Atticus, the Roman governor. He was condemned to death and, after being tortured, was crucified. Although he was extremely old - tradition reports him to have attained the age of 120 - Simeon endured his sufferings with a degree of fortitude which roused the admiration of Atticus himself. His feast day is February 18.

St. Mary's School has been known as a legacy of excellence in the parish and in the community. We are striving and praying that we can continue this level of excellence by continuing to keep the doors of school open. We as a parish and school have had some financial hardships and are hoping to reach out to the parishoners and community to help financially contribute to our 'Keep the Doors Open' campaign. We have several ideas in the works to produce more income in the future (i.e. preschool, scholarship program) and will also be making cuts to become financially sustainable. Please consider making a financial contribution to our school for the children in this community.

Our website [www.mystmarys.com](http://www.mystmarys.com) is the best way to donate! If you would rather write a check, you can drop off directly to school, or mail to the address above.

As of 02/07/2019:	\$704,111 raised
-------------------	------------------

### Current Progress:

1. Mr. Brookbank is assessing if we can offer cafeteria next year. Mr. Brookbank and Mrs. Brothers have had meetings with individuals from St. John's regarding how they run their cafeteria. We need the cafeteria to break-even or have a profit at the end of each school year.
2. A letter of intent for enrollment for next school year was sent out. Please return the completed form to the school office, it was due by Friday, February 8, 2019. This should help in planning for staffing K-8 grades and hopefully provide some indication as to the viability of a pre-school for 2020-2021. He will be following-up that letter with direct phone calls and/or meeting with school-age families to encourage and recruit more student to increase the school census. Other more external efforts to market and recruit for the purpose of increasing the school census are still in the planning stages and/or are being considered for use in the total sustainability plan.
3. Bob, Ann, Mollie are working on the budget for next year. Once the details of the budget are finalized, the Finance Committee will need to approve the budget.
4. As far as a pre-school.....unless there are at least a double digit enrollment commitment, it would be too early to say we are having a pre-school for 2019-2020. It most likely may be 2020-2021 before we can prove a sustainable enrollment to for feasibility; however, as has been proven by the success of the funding campaign..... only God and time will tell.

**Pending:**

We still need a group of volunteers to organize a campaign to recruit more students and marketing for our school! Lyndsay Hays has volunteered to head this committee. We will be looking for additional volunteers to help her with:

- Mailing out to local and non-local business owners. We have a list of small and large businesses that we can solicit for a one-time donation or a pledge amount for the next 3-5 years.
- This group of volunteers will also would for fundraising (above what PTO currently does), grant writing, seeking long term pledges, etc.

If you would be interested in being part of this committee, please contact Lyndsay at 812-907-0312.
